

### REMARKS

This is in response to the Office Action dated May 6, 2009. Applicant fully complies with the Examiner's teaching. *No arguments entered in this amendment.*

#### Objection to Drawing

To comply with the Examiner's teaching, Applicant has labeled FIG. 1 with 'Prior Art' and the amended drawing sheet is attached herewith.

#### Claim Rejections under 35 U.S.C. §102

The Examiner has rejected claim 1 as being anticipated over the cited reference. Without arguments, Applicant has incorporated allowable claim 2 into claim 1, thus canceling original claim 2. , and further incorporated allowable claim 8 into claim 6, thus canceling original claim 8.

#### Allowable Claims

The Examiner objected claims 2, 4-5 and 8-9, stating the objected claims would be allowable if rewritten to include all limitations of the base claim. Applicant has incorporated the allowable claim 4 into the first independent claim 1, and amended dependency of claims 3-6 and 8 to claim 1. Applicant now believes claims 1 and 3-17 are in condition for allowance recordation

Applicant respectfully requests a notice of allowance for claims 1 and 3-17 be issued in due course, if required, under *the Examiner's Amendment*. If a telephone conversation is believed to clarify matters with regard to its allowance, the Examiner is invited to contact the undersigned attorney at the number listed below.

Respectfully submitted,
